

Research Internships

Summer Internship Programme 2019

Publication of Minutes

Madrid, 10th May 2019

The Norman Foster Foundation Selection Committee announces the following results after reviewing all submitted applications:

Norman Foster Foundation Research Summer Interns – 2019

Mr Edward Catlin, Brown University, Providence, RI, United States of America

Ms Eesha Iqbal, University of Copenhagen, Copenhagen, Denmark

Ms Pinar Isik, Istanbul Technical University, Istanbul, Turkey

Mr Guillaume Jami, National School of Architecture of Paris Malaquais, Paris, France

Selected scholars will be granted to participate in the 3-month Research Summer Internship Programme in Madrid.

The Norman Foster Foundation team will get soon in contact for further instructions.

The Norman Foster Foundation Selection Committee highly appreciates all of those who have participated.
